Dear Member:

For the safety and well being of our staff and members, all scheduled union meetings have been cancelled and Local 237's union and funds offices are closed. However, Local 237 will continue to provide our members with strong union representation and benefits. Do not hesitate to call the union (212) 924-2000 or funds (212) 924-7220 or email your Business Agent with any questions or concerns. Also, check our website <https://www.local237.org> for the latest information.

I hope that you and your loved ones are well. While coping with this pandemic crisis, I want you to know that Local 237 is especially concerned about you and your family. We will continue to monitor CDC, OSHA and Federal, State and City governments to stay up to date with the latest developments concerning the Coronavirus and will give you updated information as it becomes available. We are also continuing to provide members services, and suggest that you call our headquarters at (212) 924-2000 for all questions and appointments.

Self-protection is still the best means of warding off the disease and I urge you to follow these basic recommendations from the CDC:

- \* Wash your hands frequently with hot water for at least 20 seconds.
- \* Disinfect surfaces touched frequently.
- \* Cover coughs and sneezes.
- \* Avoid touching your eyes, nose or mouth.
- \* Avoid contact with people who are ill.
- \* If you feel ill, seek medical care.
- \* Keep yourself informed. For additional information:

Finally, brothers and sisters, I want you to know that we are all in this together and feel confident that, as always, Local 237 will be here for you offering guidance and support.

In solidarity,

Gregory Floyd,

President, Teamsters Local 237
