Plan at a glance

Here's a handy reminder of the enhanced prescription drug coverage you get with Silverscript®. Your plan for 2027 is the Aetna Medicare Rx® offered by SilverScript® Employer Part D prescription drug plan (PDP) sponsored by Teamsters Local 237.

Initial coverage stage

You will stay in this stage until your total out-of-pocket costs reach the maximum of \$2,400.*

	\$615 The annual deductible does not apply to Tier 1 preferred generics, Tier 2 preferred brand, or covered insulin products.	
	Preferred network retail pharmacy	Standard network retail pharmacy
Tier 1: Preferred generic	\$4	\$5
Tier 2: Preferred brand	20% of total cost	20% of total cost
Tier 3: Non-preferred brand	40% of total cost	40% of total cost
Tier 4: Specialty**	25% of total cost	25% of total cost
Catastrophic coverage stage	You will pay nothing for covered Part D drugs once you've met your maximum out-of-pocket costs of \$2,400.	

*Tier 1-3 cost shares apply to 30 and 90-day supplies.

**Tier 4 applies to a 30-day supply only.

Additional benefits

Teamsters Local 237 provides additional coverage that may cover prescription drugs that are not included in your Medicare Part D formulary list. The following categories are included in your Non-Part D Supplemental Benefit:

- Cosmetic
- Cough and cold
- Fertility
- Erectile dysfunction
- Vitamins and minerals

Visit **[AetnaMedicare.com/SupplementalBenefitPDP](https://www.aetna.com/SupplementalBenefitPDP)** to view a full list of non-Part D covered medications. **Weight loss drugs are not covered** under the plan, unless they are used for an approved medical condition.

Key terms

- **Deductible:** The amount of money you pay out of pocket annually before Aetna® pays. Your deductible for 2027 is \$615.
- **Cost share:** The portion you pay for a covered Part D medication including your copay or coinsurance.
- **Copay:** A fixed amount you pay for a covered Part D medication.
- **Coinsurance:** The percentage you pay towards the overall cost of a covered Part D medication.
- **Maximum out-of-pocket (MOOP):** The amount you pay out of pocket for Part D drugs (deductible and cost shares) that accumulate toward the MOOP of \$2,400. After the MOOP is met, you will pay nothing for the remainder of the year and you have entered into the Catastrophic coverage stage.*
- **Prior authorization:** This process requires your provider to obtain approval before prescribing the medication.
- **Formulary:** A list of covered Part D prescription drugs. Your formulary is **4T Classic Plus** which is viewable at **AetnaRetireePlans.com**.
- **Explanation of Benefits (EOB):** Your monthly EOB will include the current total of your MOOP costs. The EOB will show how much you have met towards your MOOP year-to-date.

*For excluded drugs covered under the additional coverage provided by Teamsters Local 237, you will continue to pay the same cost-sharing amount during the Catastrophic coverage stage.
