

Press conference August 31@ 10:30am Black Leaders Demand The Firing of Tucker Carlson

Remarks of Gregory Floyd

I am here today not only as a Black man, or a labor leader.

I am here today as a father and as a member of the human race.

I'm here today to say, that spewing hate for ratings is shameful.

A race monger is a disgrace to all races.

And someone who spits venom for profit, is special kind of villain.

That's someone without a heart, a soul or conscience.

That person is Tucker Carlson.

He is a disgrace.

He is dangerous.

He is a phony.

And FoxNews must fire him now!

Shame on Fox if they don't!

I am also asking for the TV advertisers of Carlson's show to boycott him.

They include:

Disney

Papa Johns

My Pillow USA

T-Mobile

Fisher Investments

Sandals Resorts

Poshmark

WeatherTech and

Sure Payroll

**If they don't disavow him, they are guilty of propagating messages
of evil and hate.**
